SANDPOINT GRADUATE STUDYING IN GERMANY, AUSTRIA

MISSOULA, Mont.--

Kelsi Camp, a junior majoring in German and English at The University of Montana-Missoula, took her education overseas this semester to study in Europe through the Department of Foreign Languages and Literatures Spring Semester German Study Abroad Program.

Camp, a 1994 graduate of Sandpoint Senior High School, is the daughter of Bob and Carol Camp of **Sandpoint, Idaho**. She has maintained a 3.9 grade-point average at UM.

Camp has already spent one month studying and exploring Germany at Heidelberg and Neckargemünd. She lived with host families and attended the University of Heidelberg, which was founded in 1386. The last two months of the program will be spent in Vienna, Austria. She is improving her German-language skills through daily contact with Germans and Austrians and through formal course work.

She was awarded a \$250 Powell German Scholarship to help with expenses associated with the trip. The scholarship is presented in honor of Ward Powell, who taught German for 24 years at UM.
